fink needs help picking an alternative to satisfy a virtual dependency. The candidates:

(1) xfree86: Free X11 implementation for Darwin and Mac OS X

(2) xorg: Free X11 implementation for Darwin and Mac OS X

Pick one: [1]

Failed: Can't resolve dependency "gcc3.3" for package "xfree86-4.4.0-14" (no matching packages/versions found)
